

Candidate Details

Ballot paper name	LOWE, Fiona
Candidate name	Fiona Lee LOWE
District	Shire of Serpentine-Jarrahdale
Nominating for	Councillor for North Ward
Election type	Extraordinary
Enrolment status	LOWE, Fiona is eligible to stand for election as a resident of the Shire of Serpentine-Jarrahdale.

I am a parent, wife and a lawyer with my own small business law firm.

For the past 18 years, I have lived in the Shire of SJ. My 2 children attended state schools in Byford.

I have supported the activities of local schools and engaged in youth activities. I am part of the 2021 Advisory Group for the Byford Health Hub. I am a current member of Business SJ.

My motivation to nominate is that the Council needs a professionally legally qualified councillor to help with legal interpretation and decision-making processes. I see this as a cost benefit to the ratepayers.

Byford has expanded in population, so we want a Council that can meet the needs of the many different people that it serves. Byford must upgrade its facilities such as the SJ Recreation Centre - with urgent maintenance and an increase in overall facilities.

My strength of character will see me reach my goals and support our recently elected Shire President to take a new exciting direction for the growing SJ community.
