In our current economic climate, I am all about value for money! As a working mum myself, I look to save wherever I can, and I plan on doing the same if elected to Council. Ensuring that your hard-earned dollars spent on Shire rates are utilised in the most efficient way without the fear of compromising on poor services and maintenance. High standards and fair rates can be achieved!

### **Target areas:**

- Responsible and sustainable development that continues to give SJ that semi-country feel
- Waste disposal & road restoration
- Children and senior programs expansion

With experience as a school teacher and working in local government myself, my understanding of what is needed in a community of growing families will drive my passion to achieve much needed change.

As President of the SJ Ratepayers & Residents Association and an Activate Byford committee member, I pride myself on transparent communication and effective community consultation. I will always strive to make sure your voice is heard!
