Dear Mr Martin

Thank you for your correspondence dated 20 March 2024 regarding the 2021 election commitment of \$1.34 million to the Shire of Serpentine Jarrahdale (the Shire) towards the delivery of a Nature Splash Park in Byford.

I note the Shire's request to repurpose the election commitment due to the challenges faced with the delivery of the Byford Nature Splash Park. I appreciate that the Shire has undertaken a Feasibility Study to determine if a Bike Pump track is a suitable alternative project for the Byford community.

Given the strong community support and achievability of the proposal, I can confirm that the Shire of Serpentine Jarrahdale can utilise the \$1.34 million election commitment funding to deliver a Bike Pump track in Byford.

Ms Brooke Koenig, Senior Project Manager at the Department of Local Government, Sport and Cultural Industries will be in contact with the Shire to discuss the outcome of your request.

Yours sincerely

HON DAVID TEMPLEMAN MLA
