Subject: RE: Shire of SJ Council Update - Letter of support for Manjimup to Perth Supertrail
Attachments: DRAFT Grant Agreement-Recreational Trailbike Riders Association of WA-2022-23 Trails Planning - CF-GR-06-00001042_Key Results Schedule.pdf

Hi SJ and Leah et al,

One thing we spoke about at our presentation was the proposed Manjimup Trailbike Hub to Perth Metro Trailbike Supertrail proposal (Manoorloo).

This will be from Manjimup Trailbike Hub to Perth metro along the lines of the Munda Biddi, the Bibbulmun or the Mundal Track (WA4wd) in WA, or further afield the Back Country Discovery routes in the US, or Trans European Trail.

Need somewhere with toilets and coffee so in the short term were looking at "By the Brook" as a temporary measure, however Ideally we would like to end it at Jarrahdale, once it is built and available at the proposed Trails centre. Pending the route it is expected this will add at least 20km of Trails to the Jarrahdale Trail town aspiration. This proposal is for road registered bikes along existing open public roads and transport trails for over 16's, with all bikes being road licensed, registered and insured.

As part of our funding agreement we need to reach out to the relevant stakeholders and as such had discussions with Shire of SJ on how we might go about facilitating this.

Please find attached the grant objectives, In discussion a letter of support was discussed amongst the elected members, with a view that would be a win win and bring tourism and economic development to the Jarrahdale Trail Town concept and Shire.

We would welcome any inputs SJ may have on routes or any other considerations such as mining etc

Is this proposal amenable to the Shire of SJ and if so can we please get a letter of support?

Happy to help where we can, please reach out should you have any further questions or queries.

Regards

Don Martin
