

Assessment SJ 5439 Daedong Tractor

An assessment was undertaken on 24 September 2024 regarding the Darling Downs Residents Association tractor.

The tractor is currently in general use and is in a reasonably presentable condition considering its age (note that the hour meter is not functioning).

A valuation conducted by Wattleup Tractors on this date is \$14,000.00, including GST.

During the routine inspection, the following issues were identified, although they were not diagnosed or costed:

Description	Photo
Right front headlight broken	
RHF Tire worn	

Description	Photo
LHF Tire split.
