MEMORANDUM OF UNDERSTANDING
BETWEEN
SHIRE OF SERPENTINE JARRAHDAL
AND
MUNDIJONG CENTRALS JUNIOR FOOTBALL CLUB

BACKGROUND

The Shire of Serpentine Jarrahdale (the Shire) is a major growth area supporting the expanding population of Perth and Peel. The Shire has experienced the fastest population growth rate in Western Australia over the past decade and it is expected to continue to increase from a population of 35,000 to 55,000 by 2030. Alongside this growth, sporting and recreation needs are increasingly in demand and additional facilities are needed.

In recognition of the significant population growth in the Shire, an assessment of community infrastructure and public open space needs identified the need for a district sporting space that can also perform a regional function for identified key sporting codes. Keirnan Park was identified as the most appropriate location for this district sporting space, and a master plan has been developed.

As part of this master planning, sporting needs analysis, stakeholder engagement, concept and master plan development and staging plans were undertaken. This process identified the following three priority stage one options:

- Stage 1A – 2 x ovals for community football and cricket and a shared pavilion
- Stage 1B – BMX facility; and
- Stage 1C – Netball.

In August 2020 to provide \$20 million for the development of Stage 1A.
