Dear Mr Coales

The Member for Darling Range, Hugh Jones MLA, has made me aware of your request for additional funding for the Keirnan Park Recreation Precinct.

I understand the final tender has resulted in a funding shortfall of \$4 million.

The State Government has made a significant \$22 million funding contribution to the first stage of the Keirnan Park Recreation Precinct, which will provide much-needed facilities for the growing community.

As you would appreciate the Government will shortly enter the caretaker period ahead of the 2025 State election, commencing on 5 February 2025, precluding any financial decisions by the State Government throughout this time.

If elected, the Labor State Government will continue to work with the Shire of Serpentine Jarrahdale.

Yours sincerely
